Final Projek DWO

Alfathur Robbani (22082010194) / Muhammad Rafli Alfarisqi (22082010213)

Dashboard ini akan menampilkan beberapa grafik berdasarkan data dari ADVUAS dan juga tampilan OLAP yang diintegrasikan dengan Mondrian.

The dashboard displays four charts:

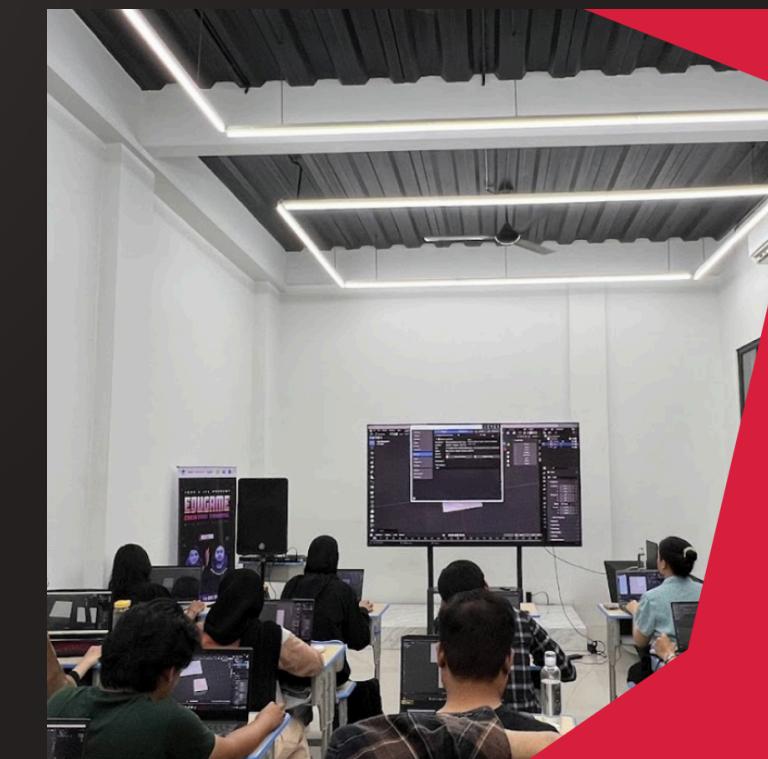

- Barang Terlaris**: A line chart showing the number of units sold for various products. The Y-axis ranges from 1000 to 2500. The X-axis lists products like AWC Logo Cap, Long-Sleeve Logo Blue, Sport-100 Helmet Black, etc. A callout highlights 'Mountain-200 Black, M * Jumlah Terjual: 1,340 unit'.
- Pendapatan Setiap Toko Berdasarkan Wilayah**: A bar chart showing regional sales in USD. The Y-axis ranges from 0 to 40M. The X-axis shows regions: Southwest, Canada, Northwest, Central, Southeast, Northeast, France, United Kingdom, Germany, and Australia. Values are labeled above each bar: 38932917.785, 28715481.445, 24872132.055, 15812016.145, 15724831.445, 13865684.355, 9215075.745, 8558017.725, 6042189.865, 2188649.705.
- Pendapatan Berdasarkan Karyawan**: A pie chart showing sales distribution among employees. The largest segment is 'Rangit R Verkey Chudukati' at 5.603202.
- Pendapatan Berdasarkan Kategori**: A donut chart showing sales distribution across product categories.

Berikut merupakan grafik untuk menampilkan produk terlaris pada Adventure Work.
